

Beta Alpha Psi Candidate Speech Guidelines

Your presentation should be the full two minutes long, and should show that you are well-prepared, and that you put forth your best effort. A visual aid (powerpoint or other type of visual) is now required and should enhance the presentation. We are lifting the one-slide limit. There is now no limit on the number of slides (keep it reasonable; total presentation time should be two minutes). Please understand that we have high expectations for these presentations as these are seen by visiting firms and guest speakers and reflect on our chapter.

What we want to hear about:

-You -- what are your interests, career aspirations, involvement in school

-What do you get out of being in Beta Alpha Psi-- make it unique, personal, talk about a favorite experience; how has Beta Alpha Psi helped you to grow as a professional

-How you would like to get more involved in Beta Alpha Psi-- if Beta Alpha Psi had committees (events, service, mentoring, etc.), what committee would you want to be a part of?
